INNOVATIVE TECHNOLOGY

Industry 1st Remote Controlled, Electric Rear Ramp Door. No more heavy lifting up and down of your toy hauler ramp door. Now you can lower the door hands-free!

Industry Leading Tie-Down System located in both the floor and sidewalls ensures maximum safety of your toys and load.

Automotive Full Body Paint. Trail Wagon's distinctive exterior comes with a fully painted, front to rear paint coverage; complete with a 5 year Diamond Shield warranty.

Industry 1st Electric Drop-Down Queen Bed that drops down to perfect height sofa seating. Entertain family and friends with a bed that lowers to a cozy lounge area with extra seating.

Wireless Camera System both exterior and interior. Back up with ease and monitor your interior load while driving down the road.

30 amp detachable power cord. Power your Trail Wagon with electric power directly from your RV/Van.

BOONDOCKING

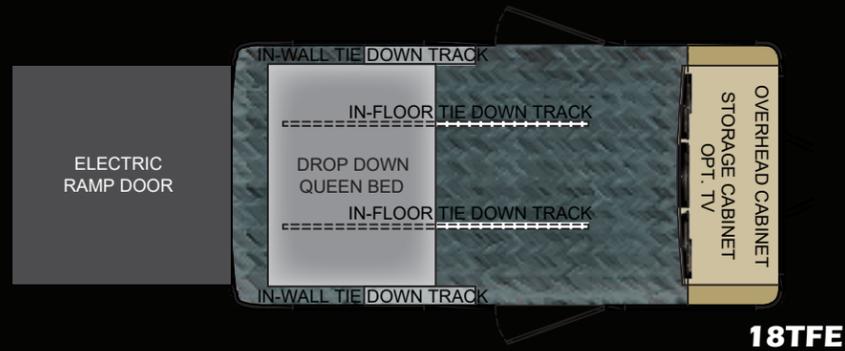

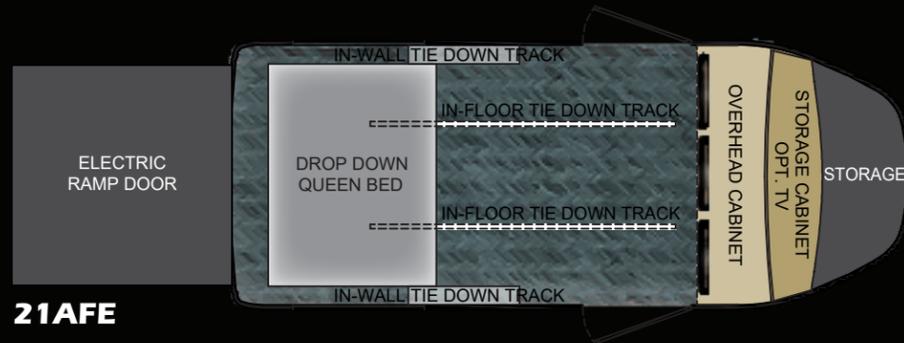

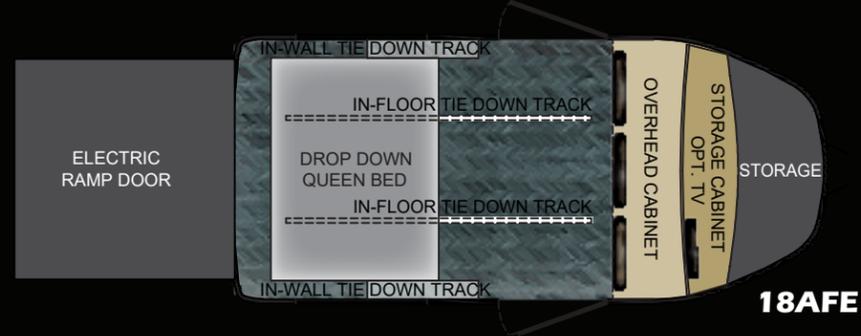

With Trail Wagon, boondocking has never been easier! With four, 6V on-board house batteries, you can draw over 440 amp hours of power. Use sunlight to your advantage with two, 110 watt roof mounted solar panels; plus, a convenient solar prep to add two more!

The on-board ARB High Performance Air Compressor means you can air up your tires on the go, clean the desert sand/dirt from your side-by-sides or blow out the inside of the Trail Wagon from dust and debris.

Maybe you are ready for R&R? The rear, Electric Ramp Door converts to an outdoor deck area; perfect for BBQs, sunning and enjoying those water views. For warmer nights, choose the 3-Season Vista View Wall option to let the breeze in while keeping the pests out.
